Select your country

☐ I have read and agree to the Saint-Gobain disclaimer, [Contest Legal Terms](#).

[CREATE NEW ACCOUNT](#)

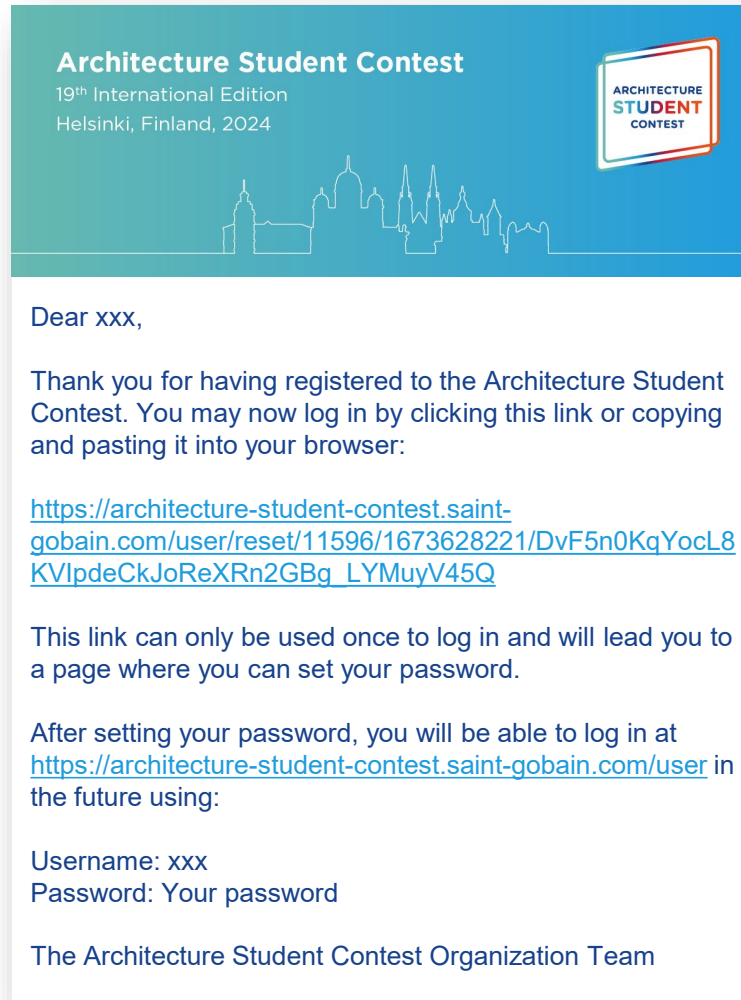

All emails from the system will be sent to the email address registered here

First registration - STUDENTS

An automatic email will be sent to students asking them to click on the link to set a password.

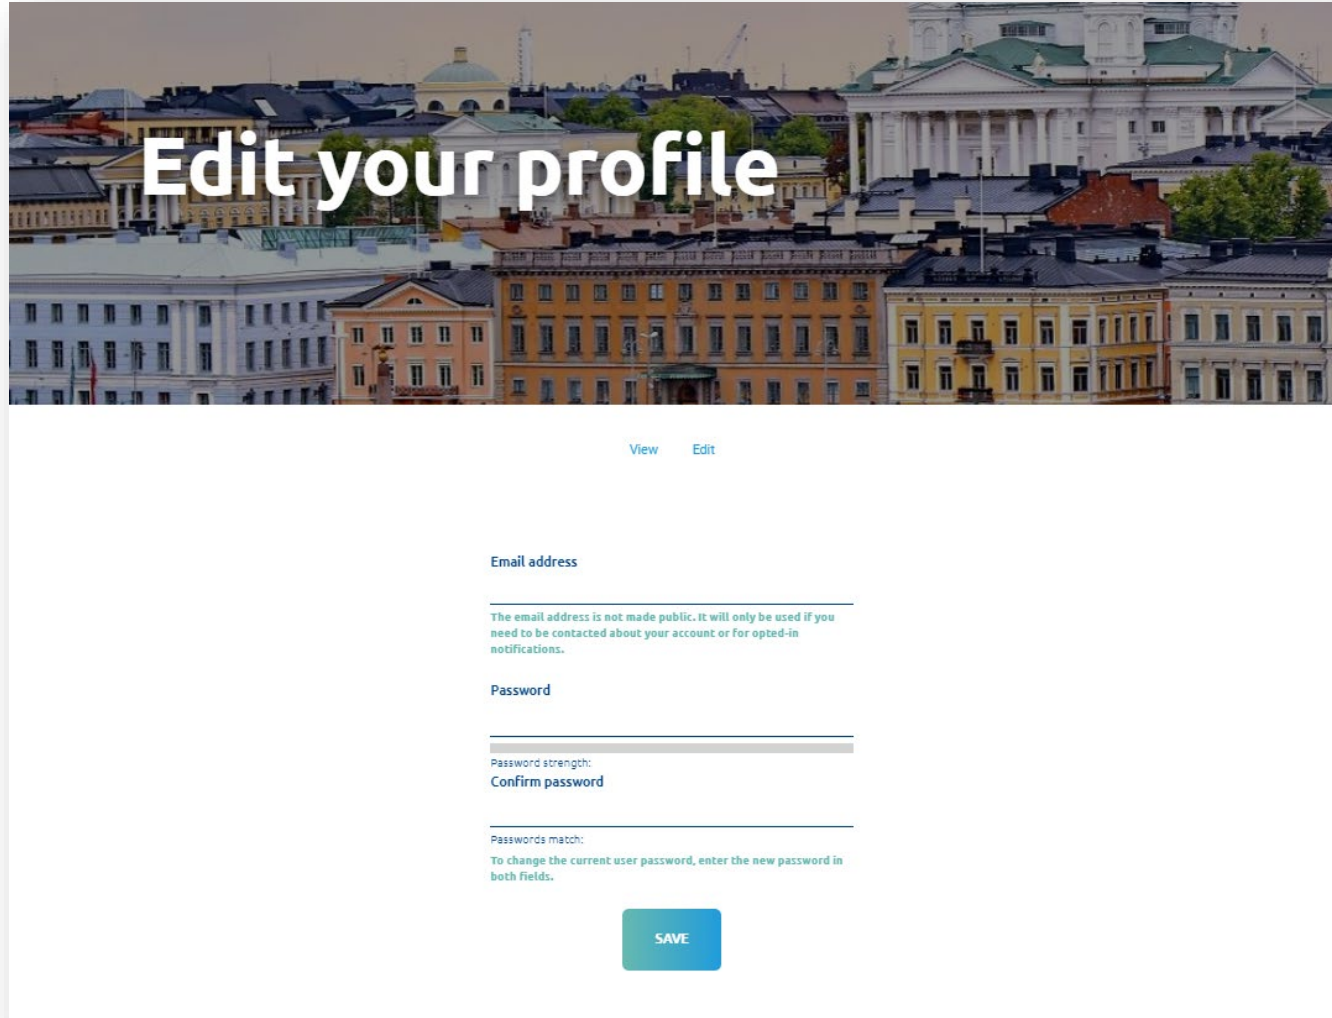

First registration - STUDENTS

The link will direct to the page “**Edit your profile**” to set the password.

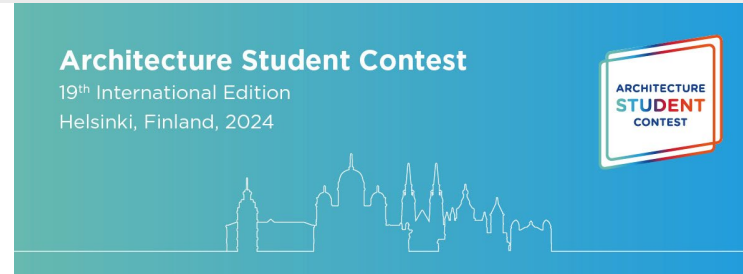

Password must be strong (number/ shift/ lower case/ specific character).

A screenshot of the "Edit your profile" web page. The page has a header image of a cityscape with the text "Edit your profile" overlaid. Below the header, there are tabs for "View" and "Edit". The "Edit" tab is active. The form contains fields for "Email address" and "Password". The "Email address" field has a note: "The email address is not made public. It will only be used if you need to be contacted about your account or for opted-in notifications." The "Password" field has a "Password strength" indicator and a "Confirm password" field. Below the password fields, there is a "Passwords match:" section with a note: "To change the current user password, enter the new password in both fields." At the bottom of the form is a blue "SAVE" button.

First registration - STUDENTS

An automatic email will be sent to students telling them that it's done!

Dear participant,

You have successfully created your account for the Saint-Gobain Architecture Student Contest 2024!

Through this account, you will be able to complete your team's profile and register for the 19th edition of the competition*.

To register, please click on the link below and submit the information about your team:

<https://local-architecture-student-contest.drupal9.fr/user>

*The creation of one account per team is needed. Failing to register or providing incomplete or false information will disqualify you from the competition. Once the registration of your team is complete, the number of team members and their identity is final and cannot be amended.

All the information related to the Saint-Gobain Architecture Student Contest 2024 is available on our website. News and announcements for participants will be sent to the email addresses submitted during registration.

Thank you very much for your participation and good luck for your National Stage!

If you have any question, please contact your Saint-Gobain Local Leader.

If you are not concerned, you can unsubscribe by clicking here: <https://local-architecture-student-contest.drupal9.fr/user/unsubscribe/rBtl8uN5kkPR2OvuWqlzP-UniSZWVUDJw7fYWaQ1RPA>

The data is collected and will be processed in compliance with the processing details and the Privacy Policy of Compagnie de Saint-Gobain available at all time on "Your data and your rights".

The rights of access, opposition, deletion and limitation of processing can be exercised at all time by email to: privacycontact.CSG.FR@saint-gobain.com.

The Architecture Student Contest Organization Team

First registration – TEACHERS

Teachers do not have to register their students on the Architecture Student Contest website. Students create their own account for their own team.

Teachers don't need to register on the Architecture Student Contest website.

Team Registration

Students

Team registration - STUDENTS

Only 1 student will have to do the team registration process even if there are 2 or 3 students in the team.
Teachers do not have to register their students.
This student will be called “**Student 1**” in the following steps.

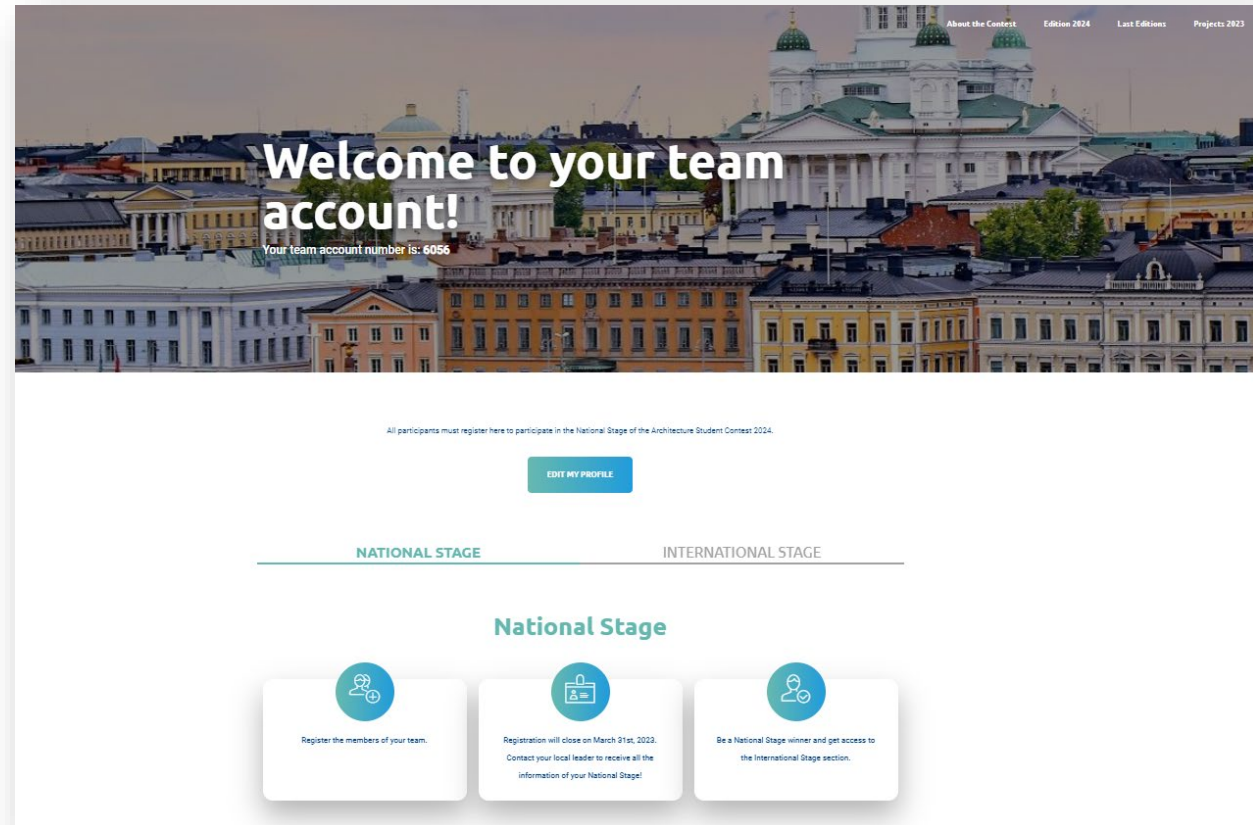

Student 1 goes to the [Architecture Student Contest](#) website and clicks on “**Account**”.

Student 1 connects with his/her email address and password.

Once connected to his/her “**Team account**”, Student 1 will have to fill in information related to the team member(s) and the teacher.

Team registration - STUDENTS

Students' information:

- ➔ Student 1 will have to fill in the following information for every team member:
 - Last Name
 - First Name
 - University
 - City
 - Grade – year of study
 - E-mail
 - Phone (not mandatory)
- ➔ Reads and accepts the Legal Terms and Copyrights Agreement Assignment.
- ➔ Teams can be made up of 1 to 3 students. If Student 1 has teammate(s), he/she will have to fill in the information for them.

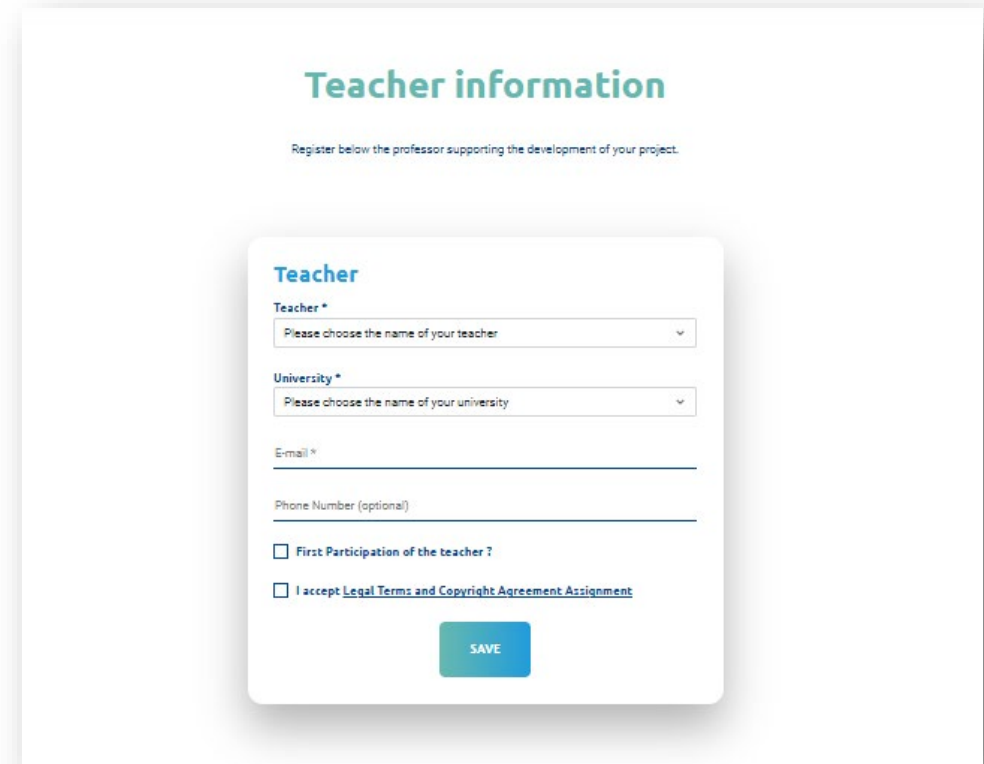

The screenshot shows a web form titled "Students information". At the top, there is a small disclaimer: "Saint-Gobain processes the data collected to manage its institutional communication. To learn more, consult the section 'Your data and your rights'. By validating your registration, you agree to the terms and conditions of the contest." Below this, there are two identical form panels for "Student 1" and "Student 2". Each panel contains the following fields: a gender selection (Mr. or Ms.), Last Name, First Name, University (a dropdown menu with the placeholder "Please choose the name of your university"), City (with a placeholder "the city of your university"), Grade - year of study, E-mail, and Phone Number (optional). At the bottom of each panel is a checkbox for "I accept Legal Terms and Copyright Agreement Assignment" and a "SAVE" button. Below the two panels is a central "ADD A STUDENT" button.

Team registration - STUDENTS

Teacher's information:

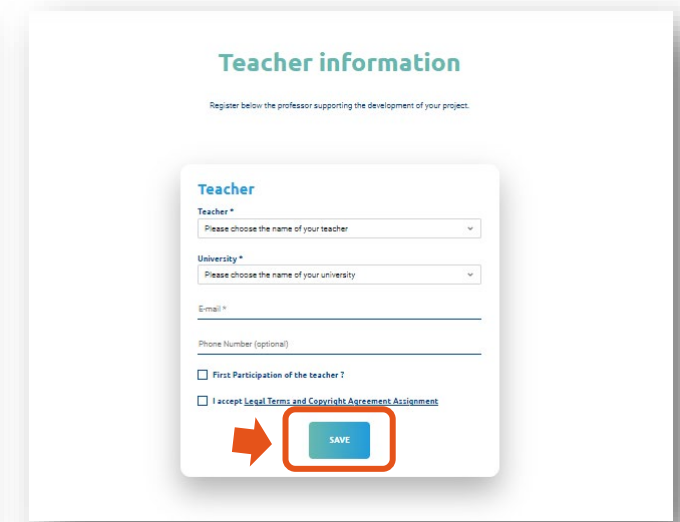

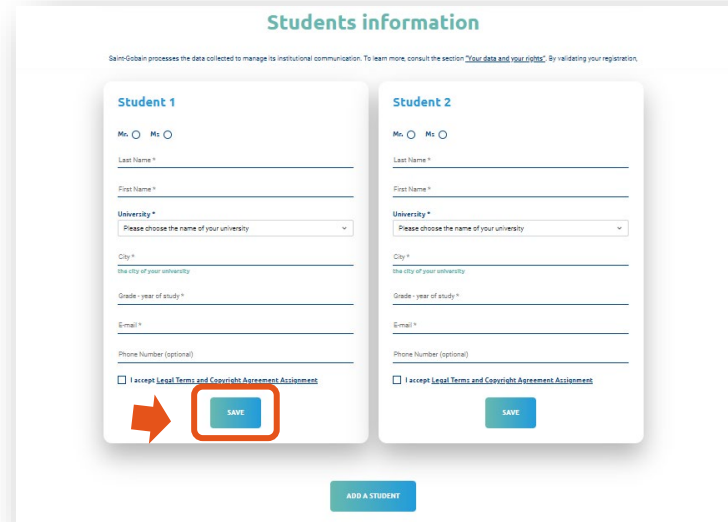

- ➡ Student 1 will have to fill in the following information:
- Last Name
 - First Name
 - University
 - E-mail
 - Phone (not mandatory)
- ➡ Student 1 will also have to mention if it's the teacher first participation to the event.

A screenshot of a web form titled "Teacher information". Below the title is a subtitle: "Register below the professor supporting the development of your project." The form contains several fields: "Teacher *" with a dropdown menu labeled "Please choose the name of your teacher"; "University *" with a dropdown menu labeled "Please choose the name of your university"; "E-mail *" with a text input field; "Phone Number (optional)" with a text input field; two checkboxes: "First Participation of the teacher ?" and "I accept [Legal Terms and Copyright Agreement Assignment](#)"; and a green "SAVE" button at the bottom.

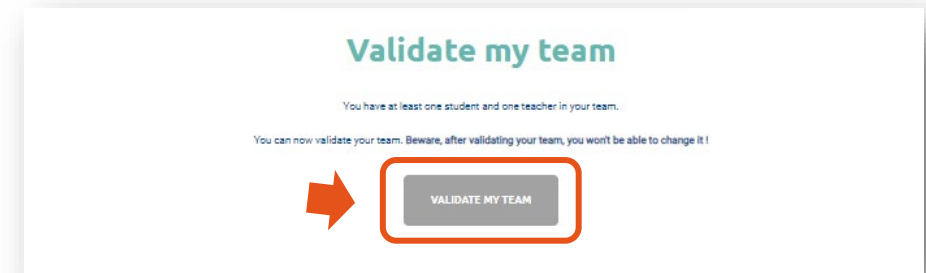

Team registration - STUDENTS

➔ Student 1 has the option to click on **“Save”** when he/she is creating his/her team. This option allow him/her to come back at another time to finish it.

However, to finish the creation of his/her team, he/she **must click on “Validate my team”** at the bottom of the page.

Team registration - STUDENTS

➔ Student 1 will then have a recap of all the information registered when he/she connects to his/her team account.

The screenshot shows the 'Welcome to your team account!' page for the Architecture Student Contest. At the top, it displays the team account number 6056. Below this, there are two tabs: 'NATIONAL STAGE' and 'INTERNATIONAL STAGE'. The 'NATIONAL STAGE' tab is active, showing three main action items: 'Register the members of your team', 'Registration will close on March 31st, 2023. Contact your local leader to receive all the information of your National Stage!', and 'Be a National Stage winner and get access to the International Stage section.' Below these, there is a 'Students information' section with a disclaimer from Saint-Gobain and a form for 'Student 1' with fields for Name, University, City, and Email. At the bottom, there is a 'Teacher information' section with a disclaimer and a form for 'Teacher' with fields for Name, University, Email, and First Participation.

Welcome to your team account!

Your team account number is: 6056

All participants must register here to participate in the National Stage of the Architecture Student Contest 2023.

[Edit my page\(s\)](#)

NATIONAL STAGE INTERNATIONAL STAGE

National Stage

- Register the members of your team.
- Registration will close on March 31st, 2023. Contact your local leader to receive all the information of your National Stage!
- Be a National Stage winner and get access to the International Stage section.

Students information

Saint-Gobain processes the data collected to manage its institutional communication. To learn more, consult the section ["Your data and your rights"](#). By validating your registration, you acknowledge having read the information accessible from the previous link and informed any person whose data you communicated to us.

Student 1

Name : Mr Lee Test
University : Test University
City : Test ville
Email : lee.bacort1@gmail.com

Teacher information

Register below the professor supporting the development of your project.

Teacher

Name : Mr PROF TEST
University : Test University
